Honourable John Horgan
Office of the Premier, Province of British Columbia
West Annex Parliament Buildings
Victoria, BC

Dear Premier Horgan:

The Quad Riders ATV Association of BC (ATVBC) is writing to express support for requests by local government and key stakeholders in the Peace River Regional District, requesting that the provincial government engages in planned consultation sessions with local and regional government, industry, recreationalists and other stakeholders in the region that may be impacted by the Caribou Recovery Program.

ATVBC supports the 2018 UBCM Resolution that was brought forward by the Peace River Regional District, and endorsed by UBCM, requesting that the provincial government consider the impact of actions proposed to assist with the recovery of the Southern Mountain Caribou, therefore ATVBC strongly urges the Province of BC to undertake a socio-economic impact analysis of the impacted areas and communities.

Thank you for your consideration as we look forward to an open and transparent process with all stakeholders to allow for a balanced caribou recovery management plan.

Sincerely,
